MassBay Library is pleased to announce a brand new homepage: http://massbay.libguides.com/home. From there you can find information about the library at both the Wellesley and Framingham campuses along with help for finding books, article and helpful websites. Our hours, address, phone numbers and policies are also posted on our homepage as well as links to all the services available through the library, such as databases, the MinuteMan catalog and LibGuides. Use the website from home or on campus to help with all your library needs.

FEATURED DATABASE: Films on Demand
Health and Medicine Video Collection Is Here!

The Library has added the “Films on Demand: Health and Medicine Collection” to its list of Resources. “Films on Demand” is an online service that provides educational videos in streaming video format. The Health and Medicine collection consists of over 1,441 titles with separately viewable segments on diseases, disorders, disabilities, health care and treatment, health careers, human anatomy and physiology, nutrition, personal health and wellness, and public health.

Stream videos to any MassBay computer or off-campus with your MassBay Library Card barcode.
