NEW! Early Childhood Education Collection

The MassBay Framingham Library now has an ECE Collection. The collection contains Early Childhood Education/Children's Literature Reference Books, the Juvenile Book Collection, and these print journals that support the ECE program: Childhood Education, Early Education and Development, Educational Leadership, Horn Book Magazine, Instructor (Scholastic), YC: Young Children, Zero to Three. There are signs in the Periodical Stacks directing people looking for these titles to the ECE Collection.

The ECE Collection is located on the last row of Reference shelving after the Periodicals and on two new bookcases located in the back of the Library to the left of the hallway leading into 301. Forthcoming: ECE faculty are donating posters and other items to make the space more inviting. There will also be a two seat study table -- there is an outlet in the area so students will be able to plug in their laptops. Selected books have an ECE sticker above the call number label on the spine. In the Catalog they have ECE before the call number. Take a look!

New to the Framingham Campus Library Collection

- Gallery of Best Resumes for People Without a Four-Year Degree by David F. Noble; Call Number CAR HF 5383 .N622 2009

DID YOU KNOW that the library has an organization on Blackboard? Sign up by searching “library” in the Organization box on the Blackboard homepage. Click on “MassBay Library” and follow the steps to join. From there you can find the latest library news and information along with the always helpful Citation Guides for MLA and APA citation.
Allied health students (and others) will be happy to learn of a new on-line module for Functional Anatomy, available through anatomy.tv.

The Functional Anatomy module lets you view and interact with a 3D graphic model of the human skeleton with ligaments, muscles, and the neurovascular system. Select from different views of the whole, upper, and lower body. Rotate, add, or remove layers. Models are supplemented with live-action movies and animations.

To use the module, go to

http://massbay.libguides.com/RAD

and follow the steps under “Functional Anatomy.”

Anatomy.Tv Man: a haiku

bones sinew muscle
my you are informative
but also creepy…

Our Current Library Exhibit

In honor of Native American Heritage Month, the library is exhibiting books from our collection about native peoples. Feel free to browse the titles. All books are available to check out, too. Highlights include Bury my Heart at Wounded Knee by Dee Brown, Lakota Woman by Mary Crow Dog and Navajo Pictorial Weaving by Tyrone Campbell and Joel and Kate Kopp.

Library Hours During Winter Break

Mon-Fri
7:45 am - 5 pm
Closed nights and weekends

Winter Break Hours

The library will be open during the Winter Break on a shortened schedule. Beginning Friday, December 23, our hours will be 7:45 to 5:00 PM, Monday to Friday. We will be closed at night and on Saturdays and Sundays. The entire campus, including the library, will be closed on the following days: Monday, December 26, in observance of the Christmas holiday, Monday, January 2, in observance of the New Year, and Monday, January 16 in observance of Martin Luther King Jr. Day. The new semester begins and the regular library schedule resumes Monday, January 23.
