Calling all Early Childhood Education Enthusiasts!

Because you asked, we’ve restructured the children’s books in the ECE Volume 3 Issue 1 Fall 2013. Now all of the books are in alphabetical order by their title. No more searching out long numbers to find the books you’re looking for. If you want “A Bad Case of the Stripes” by David Shannon, J A BAD CA Sha is the new call number. J is for Juvenile, A BAD CA is the beginning of the title and Sha are the first 3 letters of the author’s last name. What could be easier?

Did you know that MassBay Framingham has over 700 children’s books in our collection with more being added all of the time? In addition, if you don’t find a book here, we can probably get it for you from another library in the Minuteman network. You can go to your Minuteman account and order the book from home or you can ask a Librarian and we will be happy to get you any book in the system. It’s the magic of having a Library Card!
